

## **Job Posting Community Health Worker Hamilton Whitmore Lake**

---

Hamilton Community Health Network is seeking a Community Health Worker to join our Hamilton Whitmore Lake facility. The Community Health Worker (CHW) will work to promote, maintain, and improve access to health care and the health outcomes of Hamilton patients and their families. The CHW will work closely with patients' medical providers, care teams, and community-based agencies to improve access to services and associated patient care outcomes. The CHW will facilitate enabling services that prioritize addressing patient barriers to care, emergency department utilization, social determinant of health needs, gaps in care, and associated quality improvement initiatives.

### **Education/Experience Requirements**

Education and/or Experience

***Required:***

- High School Diploma
- Two (2) or more years' experience working in a clinical environment.
- Successful completion of a Community Health Worker formal training program such as from a college or other educational institution within six (6) months of hire.

***Preferred:***

- Bachelor's degree in healthcare, Community Outreach or Social Services
- Experience working in an Electronic Medical Record (EMR) or client services database (e.g., Social Solutions, Azara, etc.)

**OR**

An equivalent combination of education and experience sufficient to successfully perform the essential duties of the job as listed above.
